Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner requested another copy of the terminal disclaimer (paper #8) that was originally sent by the applicants on March 4, 2002, due to a very faint original copy upon electronic image scanning by the USPTO. The examiner received a FAXed copy of the terminal disclaimer (via RightFAX) at about 3:00pm on 9/17/03, and the terminal disclaimer was subsequently approved by the USPTO.
